

9th Edition of Annual Conference on Occupational Health & Safety

Sustainable Business Performance – Driving Value through Safety

26-27th September 2024, Mumbai

As organizations across the globe increasingly recognize the integral role of sustainability in business success, it is imperative to understand how safety practices contribute to sustainable performance.

CII Naoroji Godrej Centre of Manufacturing Excellence is organising a 2-day conference to explore the critical intersection of safety and sustainability, highlighting how robust safety protocols not only protect employees and assets but also drive long-term value, enhance corporate reputation, and ensure regulatory compliance.

The conference brings together industry leaders, safety professionals, and experts to discuss and share insights on creating a sustainable and safe working environment.

We invite you to join us for insightful discussions, expert panels, and interactive sessions that will equip you with the knowledge and tools to integrate safety into your sustainability strategy, ultimately fostering a resilient and thriving business environment. Register now to secure your spot at this Conference on “Occupational Health and Safety.”

KEY HIGHLIGHTS

- In-depth panel discussions on sustainable business performance through safety.
- Knowledge sessions on developing a safety-first culture and leveraging technology and innovation in workplace safety.
- Award ceremony recognizing the best practices in Electrical Safety.
- Interactive session with the Directorate of Industrial Safety & Health (DISH) on important regulatory updates.

WHY ATTEND?

- Gain insights from industry leaders and safety experts.
- Enhance your knowledge of regulatory updates and compliance.
- Learn about the latest trends and innovations in workplace safety
- Learn and benefit from the best practices in “Electrical Safety” shared by the winners of CII’s competition
- Network with peers and professionals in the field of occupational health and safety.
