What you are looking for

As a busy and growing organization, you are always in search for a good training facility to carry out your exclusive workshops, trainings, and meetings, dedicated to your employees. But in a city like Mumbai it is not so easy to find a suitable place to organize such exclusive events which offers you the right kind of atmosphere, the right locational advantage, and that too at an affordable price.

We at CII Naoroji Godrej Centre of Manufacturing Excellence (CME) understand your needs for choosing training facilities which can perfectly host high quality training modules, workshops and meetings. We understand you better than others as we at CME deliver our own training programmes to many Industry and Institutions every single day under our mission to stimulate manufacturing excellence in India. Over the years through its endeavour to build a knowledge driven society, CII CME has been able to create a friendly and flexible atmosphere that can support organizations to conduct their programmes seamlessly, by customizing it's training facility for various training modules, workshops, and meetings.

More than just leasing a space, we at CII CME believe in giving room for opportunity to all companies and professionals who seek to tread the path of knowledge through connecting, networking, learning, and teaching. Please contact us to end your long search for choosing the perfect training facility that caters to all your requirements at an affordable cost with complete transparency and care.

What we offer

CII Naoroji Godrej Centre of Manufacturing Excellence offers you a customizable training facility which you can hire to conduct your training programmes, workshops and meetings seamlessly, that will enable your business to grow in knowledge and capacity.

We are different

Centralized Location Located at the heart of Mumbai city, 30 mins drive from Airport as well as Thane city, and within 60 mins distance from anywhere in Mumbai

Spacious Parking CII CME has ample parking space for your important events conducted at its premises

Stimulating Learning Environment The CII CME's training facility is situated within a beautiful campus that creates an ideal atmosphere for learning for all

Training Equipment Support* Our training facilities are equipped with quality audio systems, projectors, microphones, and other necessary stationary items that you may need for your programme

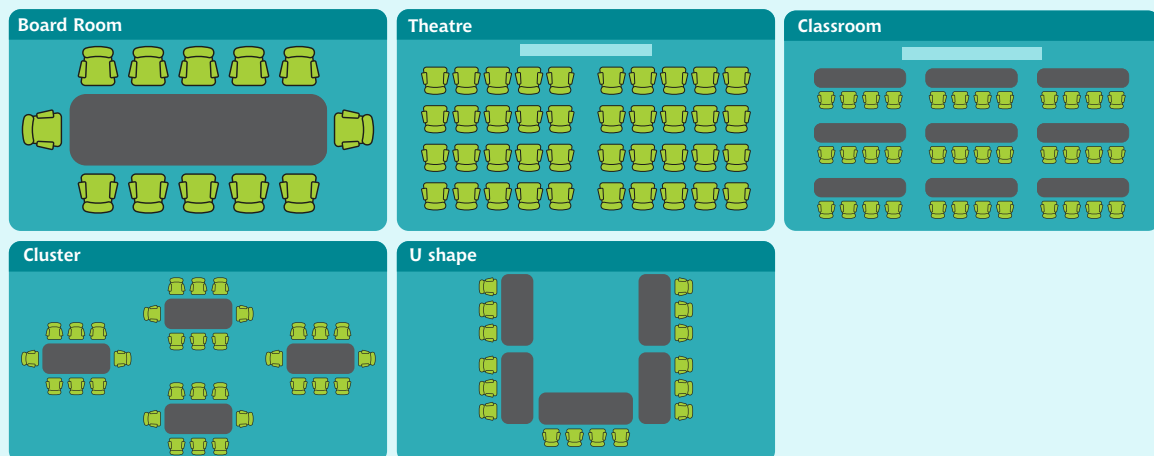

Food & Beverages* During the programme we help your team stay energised by serving them vegetarian food at the pantry, which is clean, healthy and hygienic

Friendly & Cooperative Staff To ensure the smooth functioning of your event and to make your stay comfortable at CII CME premises, our employees are always eager to take care of your needs, please do not hesitate to ask

* Additional charges will be applicable for these services
